

**American Chemical Society
Sales Agreement Addendum
Reagent Chemicals Online**

This addendum covers all Single Site and Multiple Site/Consortium Sales Agreements signed *prior* to March 2006, including the existing American Chemical Society/ (*insert Institution*) agreement, which was signed in _____, as well as the ACS Terms and Conditions of Use document posted *prior* to March 2006, and adds **Reagent Chemicals Online** to the accepted terms and conditions within these documents, including but not limited to paragraphs 1 (Copyright), 2h (Formats), 3b (Access Control by IP Address), 4 (Permitted Use), 5 (Use by Others Through InterLibrary Loan), 6 (Prohibited Use), 7 (Warranty), 8 (Delivery of ACS Web Editions) of the ACS Terms & Conditions dated August 2005.

Further, the Licensee agrees to the aforementioned terms and conditions including the applicable fees, licenses, assignments, access rights, authorized use, warranties and formats established by the ACS, and hereafter covering Reagent Chemical Monographs and individual book chapters associated with **Reagent Chemicals Online**.

The following provisions are added to the ACS Terms and Conditions of Use:

Definition of Reagent Chemicals Online: **Reagent Chemicals Online** is a product distinct from the ACS Web Editions and ACS Legacy Archives with a separate and defined pricing structure. A subscription to Reagent Chemicals Online provides the Licensee and Authorized Users access to the life of then current edition, which starts with its posting to the ACS web site and concludes with the publication of a new edition, at which time the older edition will be permanently removed.

Archival Rights for Reagent Chemicals Online: upon request a CD-ROM containing the PDFs of the currently-posted version of Reagents Chemicals Online will be supplied. Only one (1) CD-ROM will be supplied, and it may be requested at any time during the life of the posted edition.

The following clause is hereby added to Section 2 of the existing American Chemical Society/ (*insert Institution*) agreement, which was signed in _____:

Reagent Chemicals Online One-Time Payment: The Licensee agrees to pay a one-time payment of \$_____ for the current ____ edition of Reagent Chemicals Online, starting in 2006.

Accepted:

I have read and agree to adhere to and abide by all the terms and conditions of this Agreement.
